

# Indian Lake Booster Club

Dear Indian Lake Members:

The Indian Lake Booster Club was established in 2004 by a handful of members concerned with the continued structural viability of our community. Originating in 1962, some of the infrastructure of Indian Lake is now over forty years old. The bridges at coves seven and nine are a part of this infrastructure, as are the buildings housing the community hall and office, docks and roads, all of which are now starting to reflect their age.

Through fund raising events and sponsored memberships, the Booster Club helps to defray costs to the Association when the need for repairs arise. To date we have financed, or helped to finance, a wide array of improvements to our community.

- Paid for Engineers Inspection of bridges at coves seven and nine.
- Paid for Speed Limit/Weight Limit Signs at coves seven and nine.
- Paid for I-Beams to secure the wing walls at cove seven.
- Paid for Materials to rebuild bridge to island at cove nine.
- Helped to pay for new roof to Community Building.
- Paid for rock and gabion baskets for installation at cove seven.
- Purchased new computer monitors for the office.
- Helped to pay for new generator for Community Building

In 2005 we expanded our horizons by starting the Indian Lake Memorial Walking Path. The Path is located in the median between the entrance and exit roads. Members donated money for the purchase of bricks, trees or benches, dedicated to themselves or their loved ones for placement at the Walking Path or other areas around the lake. To date we have placed nearly 30 memorial bricks, two benches, and will plant one tree when the weather permits.

Throughout the year we hold several fund raising events to earn money for projects that may arise in the future. These include Trivia Night and an Annual Barbeque and Car Show. We hope you will join us in our efforts by becoming a member of the Booster Club and supporting our events.

The Booster Club meets the third Saturday of each month at 9 a.m. at the Community Hall. Come join us!

Your Booster Club
